### Thoughts from Pastor Jaye

Greetings to you all,

Can you believe it is March already? Did you know that March is considered the first month of spring? Did you know that the last day of winter is in March? Did you know that some cultures and religions consider March 1<sup>st</sup> as the beginning of the New Year? Have you ever heard the expression that March winds bring April showers? All in all March seems to be a month of change.

It has been said that, "Everything changes except change itself." How is your 2010 shaping up so far? Are you experiencing change you were not expecting? I would imagine so because life is a series of changes. The question really becomes then, how do you handle change or how are you handling the changes that are happening around you?

As Christians we are found in Christ. He really is our center. He is our security and hope. In the middle of life's changes and challenges, He is there. In learning to live in relationship with Christ we will always find Him faithful and available, even if we have drifted. The wisest man that ever lived was named Solomon. He was the son of King David. He said, "In all your getting, get wisdom." He wrote in his book of wisdom, which is called Proverbs this passage: "The name of the Lord is a strong tower; the righteous run to it and are safe (Proverbs 18:10)."

In life we will often find ourselves outside of our comfort zone. Our enemy Satan and our flesh will entice us to run to many different things to feel safe and in control. Wisdom says that we should run to the Lord and there we will find safety because He is in

control. He loves us very much. Let me encourage you; RUN TO THE LORD! He will bring you through. RUN TO THE LORD, He will give you a testimony to his faithfulness and His goodness! "Trust in the Lord with all your heart and lean not on your own understanding; In all your ways acknowledge Him and He will direct your paths (Proverbs 3:5, 6)."

I pray God's blessings to you and yours. Have a great March.

*for Ladies Only*

Mentors and Mentees needed!!!

Whether you are young in your faith or have been a believer for years, you can be an encouragement to another lady!

There will be a dinner meeting on Wednesday, February 24 at 6:30 pm for those who are interested in either being mentored or those who want to mentor.

We will have dinner, fellowship and hear a testimony of what happens when women meet one on one for accountability and encouragement. We will begin the process of gathering info and pairing women together.

If you've been involved in a mentoring relationship in the past, you know the high value. If you've never been on either side, come see what it's all about.
